Why join VSCA?

*The Virginia Student Councils Association has been an organization for elementary, middle and high school student councils for over 100 years and remains the premier leadership learning organization for student leaders from public and private schools throughout the commonwealth. Through participation students become energized, positive role models who support leadership and student involvement in their schools and communities. VSCA provides leadership learning experiences and opportunities to practice the citizenship skills necessary for effective participation in our democratic society.*

*The VASSP Department of Student Leadership (DSL) oversees the VSCA. Membership is renewable each year and provides the school adviser membership in the Virginia Association of Student Activity Advisers. In addition, the DSL newsletter is printed four times each year and provided to all member schools. Additionally, member discounts apply to all workshops, conferences, and camps. We invite you to join the VSCA.*
