Why join VSCA and VAHS?

The Virginia Student Councils Association has been an organization for elementary, middle and high school student councils for over 100 years and remains the premier leadership learning organization for student leaders from public and private schools throughout the commonwealth. Through participation students become energized, positive role models who support leadership and student involvement in their schools and communities. VSCA provides leadership learning experiences and opportunities to practice the citizenship skills necessary for effective participation in our democratic society.

The Virginia Association of Honor Societies supports the efforts of the National Honor Society and the National Junior Honor Society in appropriately recognizing students who demonstrate outstanding accomplishments in the areas of scholarship, character, leadership, and service. Throughout the commonwealth, affiliated schools enjoy opportunities for significant learning experiences and active engagement in service. As a member of the VAHS schools enjoy a co-curricular activity that actively supports the educational goals of the school.

The VASSP Department of Student Leadership (DSL) administers the VSCA and the VAHS. School membership is renewable each year and also provides the school adviser membership in the Virginia Association of Student Activity Advisers. In addition, the DSL newsletter is printed four times each year and provided to all member schools. Additionally, member discounts apply to all workshops, conferences, and camps. We invite you to join the VSCA and the VAHS.
