April 1, 2020

Dear VASSP Members:

I encourage you to phone-in and listen to the State Board of Education meeting at 1:00 p.m. on Thursday, April 2, 2020. The Board will be taking action on items related to the governor's declared state of emergency and items that if not acted upon – according to the public announcement – "could result in irrevocable public harm."

Among the topics to be addressed will be the State Superintendent's briefing on COVID-19. Items to be included in that briefing will be graduation requirements, 140-clock-hour requirements and waivers, length of school term waivers, SOL assessment requirements, and teacher licensure and student teaching requirements.

State Board Agenda

The meeting is open to the public for listening. We are not sure that you will be able to see the video cam. Oral public comment will not be accepted, however as always, written public comment is accepted on the Board's email account.
